## More Than Enough is Too Much

To maintain health, a mature man or woman need just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach trouble, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all druggists.

J. H. Boyer's Great Sensational Melo-Drama "Jesse James" will be presented Tuesday night, October 5, in their big tent on Sixth street. Price of admission 25 and 35 cents. This production includes an all star program of advanced vaudeville.

## ROBIN.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart and one to the kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers.

## Ebenezer.

Well here I am again a little bit late but better late than never. I thought I'd better write a few notes this week to keep some of my readers from thinking I had gone with Mr. Peary or Cook to the North Pole. But I'd never do that. I'd rather go with Roosevelt a hunting.

We had some frost in this neighborhood this week.
